## Recommended Deadlines for Application & Nomination

Fall 2024	June 1, 2024 (recommended**)
Spring 2025	October 1, 2024 (recommended**)
Double Degree	April 1, 2024

\*\* Please let us know if you would like to nominate students after the deadline.

## Nomination Procedure

The home university nominates their student(s) via email including the following information:

- First name and family name of the student (as shown in passport)
- Student's gender
- Student's nationality (for visa purposes)
- Intended length of study
- Study program (MBA, MBA Double Degree)\*\*\*
- Student's email address

\*\*\* Due to the different campus locations and program structures, graduate exchange students can no longer mix MSc and MBA courses. From now on, the partner university should indicate upon nomination whether the nominated graduate student is applying for our MSc Exchange Program on our Vallendar campus (see our WHU Campus Vallendar BSc MSc Fact Sheet) or our MBA Exchange Program on our Düsseldorf Campus (if eligible).

## Application Process

After the home university has emailed the nomination to the respective exchange coordinator at WHU, the nominated student(s) will receive instructions for the online application procedure via email.

Shortly after the application deadline, we will process the complete online applications and send an acceptance package including the letter of acceptance for each student to the international office at the home university.

## Housing

At the moment WHU cannot offer exchange students university sponsored housing in Düsseldorf. After the application deadline students will be provided additional information and resources which they can use to find housing. It is each student's responsibility to secure accommodation but we are happy to help and give them advice during the process.

## Visa and Residence Permit

Depending on their nationality, students might need a visa and/or residence permit to study in Germany. While we assist students in applying for their residence permit, it is the student's own responsibility to take care of visa matters as early as possible, ideally at least 2 months prior to departure.

Students should contact the German Consulate of their home country (or country of residence) to find out if they need a student visa prior to entering Germany/Europe for study purposes.

## Health Insurance

All exchange students have to provide proof of health insurance upon their arrival at WHU. It has to cover the following aspects to be acknowledged by the German authorities:

- The student's name has to be mentioned as the insured person
- Period of time: coverage of the entire stay in Germany
- Region: Germany must be covered
- Emergencies must be covered
- All medical expenses must be covered

Health insurance with full coverage for sickness, emergencies and all medical expenses is absolutely mandatory for all exchange students in Germany. Students can contact the International Relations Office at WHU in advance to check if their health insurance is sufficient.

## Cost of Living

A student's cost of living will be approximately between 900 - 1200 euros per month, depending on their lifestyle and how much they're willing to spend on free time activities (e.g. travelling, eating out, sports, visiting concerts and clubs).

- Accommodation: between 500 € and 700 €
- Mobile Phone: approx. 30 €
- Food: approx. 180 €
- Local transportation: 0 € (free semester ticket)
- Health Insurance: approx. 80 € if acquired in Germany
- Miscellaneous (leisure activities): approx. 300 €
