

WHU's Partner Universities

Experience the World Through Exchange

International Experience

At WHU, international experience is an essential aspect of our Bachelor and Master in Science programs. Our extensive network of over 220 partner universities worldwide provides a distinct opportunity for our students to broaden their horizons, immerse themselves in different learning environments, embrace local cultures, and make meaningful connections along the way.

Moreover, each semester, we welcome around 200 exchange students to our campuses in Vallendar and Düsseldorf, fostering an environment of internationality and diversity at WHU, which makes it the perfect setting for your studies.

For an overview of our partner universities and their level of exchange, please visit our website www.whu.edu/exchange or conveniently scan the QR-code.

Statements

My time at WHU has been the most rewarding experience of my life! With the amazing course options you are sure to find courses you love. The orientation was great and allowed me to meet some of my closest friends that I traveled with nearly every weekend! Overall, studying at WHU was the greatest choice I have ever made!

Cooper Hinman, University of Oregon, USA

Bachelor Exchange Student

I am Paula Arnedo, an exchange from IE Business School, Madrid. My time here at WHU has been incredibly F-U-N! My co-exchange students have been my family during my short stay here. Meeting both exchange and full-time students opened my eyes to different perspectives and opinions. The WHU professors are also top-notch and well-respected in their industries, which made the whole learning experience incomparable! To cap the whole experience off, staying in Germany is such a bliss – it is a beautiful country and so many great cities within reach by train. I will miss my stay in Dusseldorf and the friends I've made here, but I'm ready to face a new chapter and take this whole exchange experience with me!

Paula Arnedo, IE Business School, Spain

MBA Exchange Student

I had an incredible experience during my semester abroad at the PolyU in Hong Kong, thanks to WHU's excellent exchange program. It was a unique opportunity to broaden my cultural horizons and travel to many different countries in Asia. Hong Kong, in particular, was a city of endless possibilities. From exploring traditional markets to witnessing the city's skyscrapers, and enjoying the serene beaches and hiking trails around the city! This semester abroad has definitely broadened my perspective, pushed me out of my comfort zone, and connected me with people from around the world. I'm excited to carry the lessons and memories from the semester abroad with me into my future adventures!
